100516	70	10	7311490042993

ANZA X2 FLAT BRUSH			
X2 flat brushes are the part of the paint brush range developed for all protective and maritime coatings. Well suited in both low and high viscosity and the unique Hicap blend provides smooth finish with very good coverage. No fiber loss. Tested and recommended by Jotun for <i>Jotamastic Smart Pack HB, Barrier Smart Pack and Hardtop One</i> .			
100517	15	200	7311490054156
100503	25	10	7311490042863
100504	35	10	7311490042870
100505	50	10	7311490042887
100506	70	10	7311490042894
100507	100	10	7311490042900

ANZA X2 RADIATOR BRUSH			
X2 radiator brushes are the part of the paint brush range with bendable ferrule. Suited for all coatings but especially good for low viscosity coatings. Unique HiCap filaments in polyester blend provides an even coverage and smooth surface. For smaller jobs. No fiber loss. Tested and recommended by Jotun for <i>Barrier Smart Pack and Hardtop One</i> .			
100508	25	10	7311490042917
100509	35	10	7311490042924
100510	50	10	7311490042931
100511	70	10	7311490042948

ANZA X2 ROUND BRUSH			
X2 round brushes are the part of the brush range especially suited for painting of profiles and stripe coating. Unique HiCap filaments in polyester blend together with the round shape, provides especially good coverage on edges and good finish. No fiber loss. Tested and recommended by Jotun for <i>Jotamastic Smart Pack HB, Barrier Smart Pack and Hardtop One</i> .			
100512	30	10	7311490042955
100513	40	10	7311490042962
100514	50	10	7311490042979

ANZA X2 ROUND BRUSH ANGLED			
High capacity and fine finish. Secures even coverage. Very good spreading rate. Well suited for all maritime and industrial primers, coatings and fire protection. Recommended tool for stripe coating.			
100519	35	10	7311490054170
100520	45	10	7311490054187

Art.no.	Width mm	Qty/pack	Bar code
ANZA X2 ROUND BRUSH ANGLED REFILL			
Refill for X2 Round angled. Recommended tool for stripe coating.			
100521	35	20	7311490054194
100522	45	20	7311490054200

ROLLERS

Art.no.	Size	Width cm	Qty/pack	Bar code
ANZA X6 PA NOLOSS				
X6 PA NoLoss is a polyamide roller range for high viscosity and high build coatings and passive fire protection products. Pile height 13 mm. Specially processed in finish line for high pick-up and release capacity, and high spreading rate. Provides an even coverage without holidays and no fiber loss. Tested and recommended by Jotun for <i>Jotamastic Smart Pack HB</i> .
